President's Corner

We have said it many times... "This club is great because of our members." Plans are currently underway for the Spring Anniversary Ball and the Fall President's Ball. We are looking for members to get involved in the planning committees to make these dances extra special. Volunteering a great way to get to know your fellow dance members and make friends while working on committee projects. Whether you are new to our club or a long-time member, we need you! Please see any board member or class rep to sign up for the decorating and planning committees. ~*Mary DiNofa, President*
